

WOULD YOU LIKE TO BE OUR FRIEND?

Everyone is a Friend of the Cerritos Library. But Why Not Formalize the Relationship . . .

If you are someone who loves reading and values the role that libraries play in our communities, then becoming a member of the Friends of the Cerritos Library is an excellent way to support a cause that you believe in.

The purpose of the Friends of the Library is to support and advocate for the library. Friends of the Library are a group of volunteers who work to promote the library in the community, raise funds for library programs and services, and promote the use of the Library and its many facilities. By supporting the library, Friends of the Library contribute to the betterment of their community and help to foster a love of reading and learning in others.

The Friends also operate a book store in the Cerritos Library, offering high-quality used books, gift items and Cerritos Library mementos for sale.

By joining such an organization, you can connect with others who share your passion for reading and learning and make a meaningful difference in your community. So, why not become a member today and help support a cause that you believe in?
